

Market Update – Sunpro EBS

Please note the following changes to the current range of Dux Sunpro electric boosted solar water heaters.

Main Changes

- The pump is now on the right hand side of the tank.
- Solar return is now mid-way up the tank.

Refer to the diagram and table on the next page for more details.

STCs

STCs have changed slightly. Refer to the table below.

	Collectors	Models	STC Zone			
			1	2	3	4
250L	2	D2F136T2AC	38	41	36	32
315L	2	D3F136T2AC	38	42	37	32
400L	3	D4F136T3AC	44	45	45	40

Calculations are based on Dux 2AP style collector.
 STCs calculations are based on Continuous Tariff.
 STC values are subject to change without notice and are correct at time of printing.

Model Numbers

Model numbers remain unchanged.

Prices

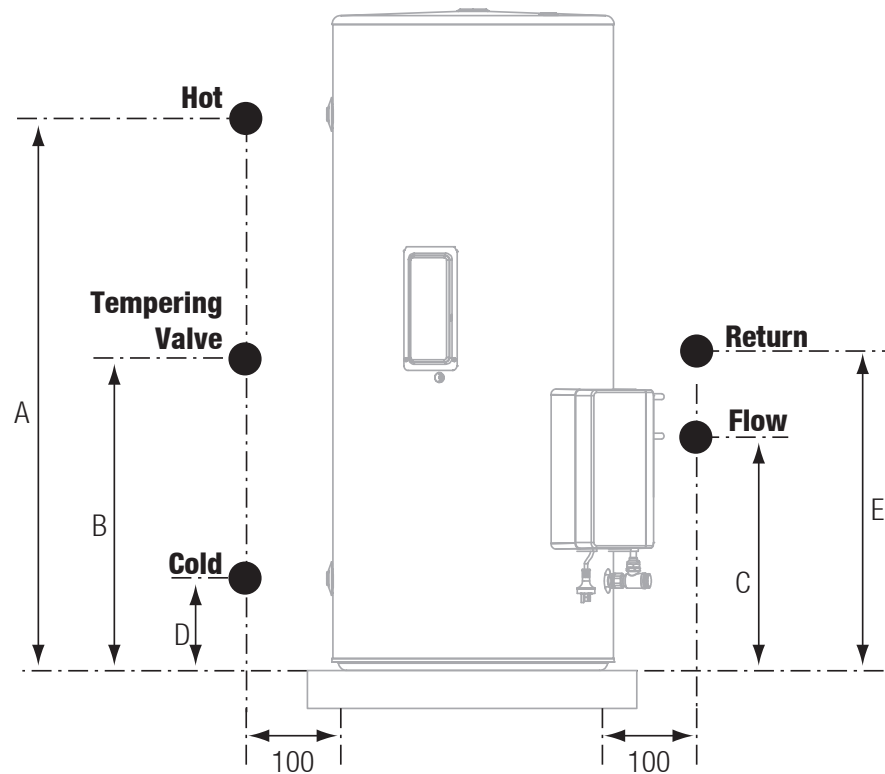

Prices remain unchanged.

Market Update – Sunpro EBS
